Dear Sir/Madam,

Proposed Residential Development to Provide Additional Dwellings at Badbury Park – Public Consultation Event

Please find enclosed a leaflet advertising a public consultation event relating to a forthcoming outline planning application being prepared by Permission Homes and Redrow Homes for a residential development at Badbury Park, Land at Commonhead, Swindon.

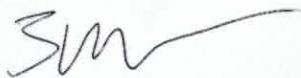

This leaflet has been distributed to occupied properties in Badbury Park and to other properties nearby, including at Coate, Liddington and Badbury.

This application will seek permission for up to 300 dwellings and associated works, including provision of public open space, on land forming the final phase of development Badbury Park, which is currently allocated by Swindon Borough Council for employment uses.

The public consultation event will be held at the Swindon Marriott Hotel, Pipers Way, SN3 1SH on Monday 23rd April 2018 from 3pm-8pm at which information will be displayed relating to the proposed development, with members of the project team on hand to discuss the proposals and answer questions. There will be an opportunity for feedback to be given allowing for all parties to actively engage, comment and shape the evolution of this project.

We hope you are able to support our event and look forward to meeting you on the 23rd April. If you are unable to attend the event and/or wish to discuss the proposals, then please do not hesitate to contact me.

Yours sincerely
