Lay-by Parking

Dear Resident

Further to our recent consultation with residents, the Parish Council reviewed all the feedback provided and voted on the approval of Option 1 Longitudinal parking.

There was a small minority of residents who didn't want to see a layby being built but the Parish Council felt this proposed too much of a danger in the event that emergency services needed to access the road during its current layout.

The rest of the feedback had pro's and con's for both echelon and longitudinal parking.

Overall the Parish Council felt that longitudinal parking retained the most green area, prevented headlights shining into front room windows and reduced the risk of reversing from a parking space into the road.

We will update you further as progress is made with Swindon Borough Council on this plan.

A handwritten signature in black ink, appearing to be 'C. Wilkinson', written in a cursive style.

Yours faithfully.

Mrs C Wilkinson
Parish Clerk
