

# Chiseldon Netball Club Parish Council AGM Notes May 2018

I approached the Parish Council in **November 2017** to see if we could use the tennis courts for a junior netball club.

I then spent some time researching and marketing the idea to establish if there was any local demand.

By working with Wiltshire Netball Development Officer and the Parish Council, both of which have supported the club with start-up grants, I have been able to start a 10 week Back to Netball programme which is currently running at the Primary school.

I have over **40 people on our mailing list** and an **average of 20 attending each week** and we have recently formed a small committee to run the club.

## Future Development:

I would like to continue working with the tennis club and look forward to hearing from them when they are in a position to offer their court as a venue option. The initial feedback from players is very positive and we hope that netball will become a regular feature of the village. Our priority now is to work on offering a junior session too.

Many thanks to everyone who has offered & shown their support.

Fiona Allen - Chair
