Marquee Hire

The community has 2 6x12* meter marquees available to them for hire at an extremely reasonable rate. *19x39ft.

All proceeds go to the Wiltshire Air Ambulance Charity.

Hire costs are £50 per 24 hours hire per marquee.

You will need:

A large vehicle to transport them – a standard sized car will not be big enough. A pick-up truck or small van etc

2 strong people to lift the boxes – each marquee is packed into approximately 8 wooden boxes for storage.

A team of people to erect and take down the marquee for you.

Proof of address from within the local community – we will not be charging a refundable deposit for the marquee hire so we need to ensure safe return of the marquees.

Registered charities should contact the Clerk on the details above to enquire about any discount available.

You will need the appropriate insurance in place to cover against damage or theft of the marquee whilst in your possession*, and will be required to sign a lease document confirming your responsibilities whilst the marquee is in your possession.

The Parish Council are facilitators of this offer and transfer all funds to the Wiltshire Air Ambulance charity.

****Proof of which must be provided to the Parish Council before release of the marquees.***
