

Garden Waste Bin

(chargeable service)

Signing up for the garden waste service is quick and easy online, just visit:

www.swindon.gov.uk/greenwaste

Collections are every two weeks all year round, with a short break over Christmas and New Year. The service runs from 1st April until 31st March and costs £50 for a year, for 25 fortnightly collections. A mid-year subscription would be reduced and need to be renewed in March, just like a full-year subscription.

Garden waste is taken to a local composting facility and used on farm land and for landscaping.

Yes please ✓

- Plant prunings
- Grass cuttings
- Twigs and small branches (no wider than the width of your wrist)
- Old or used compost
- Leaves
- Weeds
- Flowers

Please ensure your bin is available to be collected by 06:30am on your collection day.

No thanks ✗

- Pet bedding or pet waste
- Plastic bags and liners
- Non-native intrusive plants
- Household rubbish or recyclables
- Kitchen waste including peelings and egg shells
- Soil/stones/hardcore
- Treated wood

Your bin will not be emptied if it contains items that can not be composted. No garden waste should be put in your recycling or rubbish bin!
