20 January 2021

Dear Sir/Madam,

M4 J15 Swindon congestion relief scheme

Highways England operates, maintains and improves England's motorways and major A roads. This letter is to give advance warning of overnight closures.

Please be advised slip roads from the M5 J15 to the A419 will be closed overnight as follows:

- **25 January 2021** – A419 northbound from M4 J15 – west side slips will be closed from 8pm in the evening to 6am the following morning. During the day the road will remain open as usual.
- **26 January 2021** – A419 southbound to M4 J15 - east side slips will be closed from 8pm in the evening to 6am the following morning. During the day the road will remain open as usual.

During the closures locally signed diversions will be in place and we strongly encourage motorists to stick to the officially signed routes to avoid the use of unsuitable roads.

We always aim to work to programme however works may be subject to change due to weather conditions or unforeseen circumstances. We'll keep you informed via advance roadside warning signs and we'll make every effort to ensure the impact on the local community and travelling public is kept to a minimum.

You can follow us on Twitter at [@HighwaysSWEST](https://twitter.com/HighwaysSWEST) to receive up to date information on all our closures in the region, or you can visit www.trafficengland.com

If you would like further information about the work, please contact Highways England Customer Contact Centre on Tel: **0300 123 5000** (open 24/7) or by email: **info@highwaysengland.co.uk**

Yours faithfully

Andrea McAllister
