

REPORT FOR PARISH COUNCIL - APRIL 2022 - Monday 9th

We have 3 floodlit tennis courts up at the rec at the top of the village and you can access them via Norris Close. Our membership runs from April 1st to March 31st but you can of course join at any time. We are a friendly club that plays social tennis as well as league tennis in the Swindon & District Tennis League. We enter mens, ladies and mixed teams in the winter and summer.

Our court no 3 is available for Pay & Play at £10 per hour. To book this court you have to contact me and one of the members will give you access when you want to play which is not ideal. Luckily there is a new system now available via Clubspark which we hope to have up and running very soon. It will mean that the public can book a court on our website and pay online and it will be so much easier and encourage more people to have a game. We are sorting out quotes for the repainting of our courts later this year which will be great !

Lauren Prince our coach has settled in well and runs coaching sessions and classes for juniors and adults. Her Adult Beginners course has been a big hit and is ongoing. Cardio Tennis on Friday mornings is also very popular. We also enjoyed a visit from the Beavers one Wednesday evening which we all enjoyed. Lauren is running a Camp on Tuesday 31st May in half term for 5-13 yr olds - 10am - 2pm at £20.00 per child. Lauren's details are:
laurenprince92@outlook.com Mob: 07931308269

Covid has affected us all but we worked closely with the parish council keeping them updated on the government restrictions we had to adhere to in the club. Fortunately, tennis was one of the first things we could get back to and to be honest it has been a lifesaver to many people.

We have club sessions on Wednesdays from 6.30 pm and Sunday morning from 10.30. We welcome anyone who would like to come and give us a go. All details are on our website: www.chiseldontennisclub.co.uk
