Our Story

Since we started our campaign for the people of Ukraine in March 2022, we have gathered goods and cash worth around **£750,000**. We have sent over 350 generators, 10 tons of nappies, 2 X 40 foot lorries of medical supplies, defib units for hospitals that have saved countless lives and a myriad of other valuable and vital life sustaining goods.

The charity golf day purpose is to raise enough cash to fund two lorries filled with goods for the Ukrainian people in the most difficult to reach areas. The main focus is to fund as many generators as possible that provide vital electricity and heating, as well as sending food to those in need.

The donations from one team entry can buy a generator capable of supporting a small community with power for food, heat and light, a small medical facility or even a home for disabled children.

Please join us as a team or as a player to make this day an event that helps us to help the people of Ukraine.

Team of 4 entry fee: £500

Single persons entry fee: £125

There is a 25% non-refundable deposit. To secure your team, please contact Cliff Barry on: **07814700074**

Handicap Rules

1 Evidence of handicap

Full allowable handicap will be permitted as long as this is supported with a golf club declaration or evidence of your handicap. **Without handicap evidence, we will provide a maximum handicap for the day of 18 for men and 24 for women.** Please be fair to the other players on the day by declaring a fair performance should you not have a handicap. The day will be a simple handicap method.

4 members per team, entry fee for one team is £500. Teams can be mixed gender. If you don't have a team and wish to play please contact Cliff on **07814700074** and he will arrange to make teams on the day. Individual player entry is £125. There will be a **special prize for the most fabulously outrageous team shirts.** Go **wild**, be **creative**, dare to be **different!**

3 Scoring

Scoring format is Stableford where the **TWO** best scores count.

If you have exhausted your allowable scoring strokes on a hole before reaching the green, please lift your ball and mark your card with a 3 for the putts. This will help us to keep the flow of play going steadily.

Thank you

I must express our thanks to the owners, members and staff of the club, our donors and sponsors and finally, yourselves, the players. Without this amazing support from everyone this event simply could not happen.

Kindest regards,
